

What questions should I ask my GP?

You are free to ask whatever questions you feel are important to you.

The following questions may be useful. Feel free to print this list and take it with you to your appointment.

- Will I be referred for tests?
- Where can I have the tests?
- What will the tests involve?
- Can I bring someone with me?
- How long will I need to wait for the tests?
- How will I hear about my appointment?
- How soon will I hear the results?
- How will I hear about the results (e.g. by phone, letter)?
- What should I tell my friends and family?
- Who can support me?

Please remember that you can take someone with you to your appointment, this can help you to make sure you ask all the questions you would like to.
